

2020 Colorado Catholic Voting Guide

As faithful Catholics, it is our duty and obligation to take part in shaping the moral character of our community, our state, and our country through voting. The Catholic bishops of Colorado offer a hierarchy of values, informed by the Catechism, when voting on candidates and issues. All of the listed values are important; however, some are more foundational and therefore require more priority.

Hierarchy of Values to Guide Voting as a Catholic:

- 1 Sanctity of Life
- 2 Marriage and Family
- 3 Religious Liberty
- 4 Economic Justice, Poverty, & Welfare
- 5 Health Care
- 6 Immigration & Promoting Foreign Peace
- 7 Education
- 8 Restorative Justice
- 9 Energy & Environment
- 10 Technology

COLORADO CATHOLIC CONFERENCE

On the ballot this year is an important proposition for Life – the preeminent value. All Faithful Catholics **MUST VOTE YES ON PROP. 115**, which ends late term abortion after 22-weeks gestation. Babies at 22-weeks can live outside the womb.

The Colorado bishops said,

“Ending the legal protection for abortion is the most important political objective of Colorado Catholics because these children are deprived of their right to live.”

This is why all Catholics must vote YES on 115.

Please visit www.CoCatholicConference.org for more information on the hierarchy of values, ballot propositions, a chart of Republican and Democrat platforms, and registration to vote.
